RE: US Patent Applications - Docket P1065, Docket P1088, and Docket P1143

Dear Ms. Shepard,

Enclosed you will find:

1. Declaration and Power of Attorney for Docket P1143, entitled "Distributed Network Management System and Method", which has been signed by all inventors.
2. Assignment Agreement for Docket P 1143, entitled "Distributed Network Management System and Method", which has been signed by all inventors and notarized.
3. Declaration and Power of Attorney for Docket P1088, entitled "Method and System for Directing Requests for Content to a Content Server Based on Network Performance", which has been signed by all inventors except Mr. Ophir Ronen. We have not received the signed documents back from him, as he is currently overseas. As soon as those documents do come to us, they will be forwarded on to you.
4. Assignment Agreement for Docket P1088, entitled "Method and System for Directing Requests for Content to a Content Server Based on Network Performance", which has been signed by all inventors and notarized, except Mr. Ophir Ronen. We have not received the signed documents back from him, as he is currently overseas. As soon as those documents do come to us, they will be forwarded on to you.

If you have any questions or if I can be of any other assistance to you in these matters, please do not hesitate to contact me.

Sincerely,

Heather K. Griffiths  
Legal Administrative Coordinator
